

## Summer Break Newsletter July, 2019

A message from Jennifer Humphries, the Chair...

Dear All,

I have entered five paintings from SWAS members into an Art Club competition.

The competition is run by The Artist and Leisure Painter magazines, to find the 'Art Club of the Year 2019'. The winning club entries will be exhibited at Patchings in Nottingham, from October until November of 2019.

I chose five paintings from our exhibitions; not necessarily the judges' choices! I have managed to enter them in the nick of time, as the closing date for registering all entries is at the end of this week!

Good luck to all five of the artists I have selected to represent SWAS in this competition. Keep everything crossed for them because the competition is fierce!

Enjoy your summer and happy painting, everyone.

Jennifer

And a quick note from Charlie, the Secretary...

I wish to commemorate and honour the memory of my dearest friend, Matthew Stoddart, known as 'Kiwi'. He passed away suddenly in Berlin last week, at the age of 29.

Life will never be the same without him.
